Maryann D'Alessandro, PhD
Director

National Personal Protective Technology Laboratory

NIOSH PPT Program Vision and Mission

The **VISION** is to be the leading provider of quality, relevant, and timely PPT research, training, and evaluation.

The **MISSION** of the PPT program is to prevent work-related injury, illness and death by advancing the state of knowledge and application of personal protective technologies (PPT).

An estimated 20 million workers use PPE on a regular basis to protect themselves from job hazards.
